**WITHDRAWAL OF MOTION TO SUSPEND INTRASTATE
MOTOR CARRIER OPERATIONS**

The Staff of the State Corporation Commission of the State of Kansas (Staff), by and through its counsel, files a withdrawal of its motion to suspend Dragoon Trucking LLC of Arma, Kansas (Carrier) from all intrastate commercial motor carrier operations. In support of its Withdrawal, Staff states as follows:

1. On August 6, 2020, the Commission issued Carrier an Order Granting Application for Certificate of Public Service that conferred Commission authority to operate as a carrier of property other than household goods and passengers.¹ Pursuant to K.S.A. 1,115a and K.A.R. 82-4-26 a Carrier must attend an educational seminar on motor carrier operations conducted by the Commission as a condition of receiving authority to operate intrastate. However, due to the global pandemic the requirement to attend safety seminars was temporarily suspended by the Commission and Carrier was not required to attend a safety seminar prior to being granted Commission authority to operate.

¹ Order Granting Application for Certificate of Public Service, (August 6, 2020).

2. On October 22, 2020, the Commission issued an order ending its temporary suspension of the requirement to attend safety seminars.² The Commission ordered motor carriers required to attend a Commission Sponsored Safety Seminar “...as a new applicant pursuant to K.A.R. 82-4-26...shall have ninety (90) days from the date of this order to attend such seminar.”³

3. Carrier was sent a letter on October 22, 2020, reminding it of its obligation to attend a Commission sponsored safety seminar by Wednesday, January 27, 2021. The letter noted that “failure to comply with a Commission statute, regulation or order...may result in additional sanctions, including suspension and/or revocation of your motor carrier operating authority.”

4. As of March 22, 2021, Commission records indicate that Carrier had not complied with the letter and had not attended a safety seminar.

5. On March 22, 2021, Staff filed its Motion to Suspend Intrastate Motor Carrier Operations.

6. On April 2, 2021, Carrier contacted Staff and submitted documentation that a representative of Carrier attended a Commission sponsored safety seminar on April 1, 2021.

7. Carrier’s actions obviate the need to suspend the Carrier’s intrastate motor carrier operations. Therefore Staff withdraws its motion.

² See Order Lifting Emergency Order Temporarily Suspending the Requirement to Attend Commission Sponsored Safety Seminars During State of Emergency, Ordering Clause A (Oct. 22, 2020).

³ *Id* at Ordering Clause B.

WHEREFORE, for the reasons stated above, Staff respectfully withdraws its Motion to Suspend Intrastate Motor Carrier Operations.

Respectfully submitted,

/s/ Ahsan A. Latif
